[codes]

Time Attack Mode

This can be done in a one-player game only. At the character select screen, the cursor should start at Kamui. Once there, press:

(you should be back on Kamui). Press **C+D** together, now pick your character. Time Attack Mode will be canceled if player two joins the game.

Play as Ranmaru and Nobunaga

Begin a one-player game. On the first player's side, set the cursor on Kamui and press

For second player, set the cursor on Sasuke and press

The bosses will appear.
