Basic Moves

A	Weak Punch	B	Weak Kick
C	Strong Punch	D	Strong Kick
A+B	Avoid Attack	←/→ A+B	Rolling Evade
guard C+D	Counter Attack * needs 1 Power Bar	C+D	Start First Impact
B+C	Tag Partner	↓ ↘ → B+C	Edit/Team Duplex
←←	Retreat	→→	Dash
(START)	Taunt	A+B+C+D	Surrender

* **Power Bar**: can accumulate 3 Power Bars and you keeps it when you tag your partner

* **Change Bar**: fill up automatically, when full you can tag your partner or use Edit/Team Duplex

* **First Impact**: special combo started with **C+D**, if it connects correctly you can follow with the sequence of buttons indicated in the low part of the screen

* **Edit/Team Duplex**: uses 2 Power Bars, only possible when your characters have energy life and the Change Bar is full. If it connects, your character will start a combo and your partner will come out. You can even do a second Duplex combo with your new character before the opponent falls down. If you fight with your Special Partner, you'll be able to perform a special Team Duplex exclusive for the team, otherwise a normal Edit Duplex will be performed with any other partner

* **Super Special Moves**: performed with **A/B** 1 Power Bar is used, with **C/D** 2 Power Bars are used for a more powerful version of the move

* **Surrender**: you can surrend during a fight, giving to your remaining fighter the remaining Power Bars. To perform this your two partners should have energy, the Change Bar must be full, and you should not be under attack
