Fight Alfred

To fight against him you must:

- finish off the first 10 fights with no losses
- score over 750000 by the time the 10th fight is won
- land 5 SDM's or 7 DM's

If the conditions above are fulfilled, the player will get presented with a screen with the words "BONUS FIGHT" and then watch a scene where Alfred crashes his plane instead of where you would normally get your ending. You will then fight Alfred in a desert type stage with a crashed plane in the background.

Otherwise, on the Neo Geo CD version you can also reach him by successfully completing the Survival Mode.
